A journey across the worlds

Hey guys! Welcome to my very first story! You may be wondering who this is wellâ€¦ I've been around for a while but I've been only reading fanfictions of different authors and what not. I've been thinking about doing a Kingdom Hearts type of fanfiction with my OC whom will be thought of later in the story. Right now though this is the title "A Journey across the worlds, also my OC will be hopefully paired with Olette, since I don't see that many main parings of her and another character! Also I'll be doing a summary very soon, just not right now, so please sit tight and hold on to your hats!
